सं.
No. No. 15/13/2008-09/ST

दिनांक
Dated 29.07.2015

To whom so ever it may concern

(Valid only upto 30th October, 2015)

The Government of India (Ministry of New and Renewable Energy) has categorised **IndiaOne - 1MWel. (3.5 MW) Solar Thermal Power Plant** under its **Research and Development** demonstration project activity in the field of solar thermal technology. The project is being implemented at the site **Talheti, Abu Road, Sirohi, Rajasthan** by **World Renewal Spiritual Trust (receiver of the material)**. The implementation of IndiaOne project is supported by Deutsche Gesellschaft für Internationale Zusammenarbeit (**GIZ**) GmbH (Buyer of the material) under an International Cooperation Agreement between the Government of India and the Government of Germany.

As a cooperation under the research and development field, GIZ is required to procure the cast iron receiver bodies for thermal storage from **M/s Jalaram Enterprise located in Ahmedabad – Gujarat** (350 number of Receivers) for the completion of the IndiaOne project. This declaration may be considered valid, if produced before the appropriate authority, along with the excise duty exemption certificate provided by this ministry to the supplier bearing Ref No- Off-Grid/00026/2014-2015(1).

This declaration is issued by this Ministry to facilitate the delivery of material to the project site. However, this does not provide exemption form payment of any taxes and duties as applicable.

The material procured and delivered to the site shall be primarily for its utilisation in the IndiaOne project and not for the commercial purposes. **In this regard, concern authority/officer may ensure that the transported material is same as per consignment documents.**

IndiaOne project is jointly funded by the Ministry of New and Renewable Energy, World Renewal Spiritual Trust and GIZ.

Your cooperation is solicited.
